

What we are facing  
in case of vaccine hesitancy?

Prikazsky Vladimir

# Pilars of the society – powers – mandated

- The legislative power – parliament
- The executive power – Government, MOH, PH services, law enforcement
- The judiciary -
  
- Science – EPHO 10, EPHO 1 and 2 – union or intersection of the three
  
- Politics – EPHO 6 + 8 (governing for health and financing)
  
- Judiciary – EPHO 6 (governing, law enforcement)

# What is happening in PH science and practice

- Scientific facts
  - Facts set – in textbooks, many times verified, set evidence
  - Fluid science – new and often conflicting knowledge, building evidence
- Sources of information
  - Official media – authorities
  - Unofficial media – social media
- Trust
  - Trust
  - Distrust
- Information, misinformation, disinformation

# What it means?

- All stakeholders
  - Authorities
  - Scientists
  - Lay public
- Critical thinking
- Verification of information
- Building trust
